

common/include/get  
\_num.h

```
graph TD; A[common/include/get_num.h] --> B[stdio.h]; A --> C[limits.h];
```

The diagram illustrates a header file dependency. At the top, a gray rectangular box contains the text 'common/include/get\_num.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box containing 'stdio.h'. The right arrow points diagonally down and to the right to another white rectangular box containing 'limits.h'. All boxes have a thin black border.
